AIMPAC COVID Precautions

- 1. Parents will not be allowed into the studio ON A NORMAL BASIS and must use drop off and pick up services. We will select certain weeks where we will allow parents to enter. For example, we have 4 classes rotating at the same time. We will invite one group of parents in from that hour session to keep numbers low. This way you can have the opportunity to watch your child but we will still keep traffic moving through the studio. We do ask that parents wear masks if not vaccinated.**
- 2. Parents, if a situation should arise and you need to enter the facility, please call ahead or ask the front desk. We are not trying to keep you from observing your child, but parents should not linger in our lobby.**
- 3. Students will enter and exit the studio using exterior studio doors.**
- 4. Students will wash hands or use hand sanitizer upon entering and leaving each dance room.**
- 5. Studio rooms will be cleaned the 10 minutes after each class, classes run for 50 minutes, before the next group enters. This includes floors, dance barres, dance equipment, and tumbling mats.**
- 6. Students and teachers have the option to wear masks at their own discretion.**
- 7. Students must take appropriate shoes/belongings with them to their dance room.**
- 8. There will be a designated bathroom per dance room and the bathrooms will be cleaned after each use.**
- 9. Families will have to complete an AIMPAC Covid waiver release form, and confirm that they will notify our front desk immediately should a case appear in their household, or if their child has been in close contact with someone else who has Covid.**
